

Arcadia K500HB Grill Back Panel

Grill back panels bring the back side of a Kalamazoo grill installation flush with the backs of our 30-inch-deep outdoor kitchen cabinet system.

Grill Back Panel Features

- Hand-crafted from the highest quality stainless steel
- Supports the countertop behind the grill
- Stainless steel leveling legs for easy installation
- Arrives fully assembled and ready to install
- Built with pride by hand in Kalamazoo, Michigan

Grill Back Panel Options

- Stainless steel toe-kicks
- Back finishing panels to match the front of the cabinet (recommended if the back of the cabinet is visible)
- Brushed stainless steel end panels for installations with visible cabinet sides
- [Marine-grade stainless steel](#) available for clients who prefer additional corrosion resistance
