

Signature 24-inch Outdoor Refrigerator

All outdoor refrigerators are definitely not created equal. The Signature Series collection is proven to maintain the set internal temperature when it is as hot as 110°F outside, keeping food safe and fresh. Trust your ingredients to the most powerful and efficient outdoor refrigeration line around.

Product Features

- Energy Star qualified
- Forced air cooling for rapid cooldown and even temperature distribution
- Commercial-grade stainless steel interior
- 33°F to 39°F digital temperature control
